

STANDARD OPERATING PROCEDURE OF EARLY-STAGE FUNDING SUPPORT – ACCELERATION PROGRAM AND/OR EVENT PARTICIPATION

1. Criteria for Early-Stage Funding Support- Acceleration Program and/or Event Participation of INR 3 lakhs per Startup:

Following are the Eligibility and Conditions for Early-Stage Funding Support- Acceleration Program and/or Event Participation:

- i. The Startup should be certified under Bihar Startup Policy.
- ii. Financial Assistance upto INR 3 Lakhs per Startup as a grant shall be given to enrol and participate in National/ International recognized acceleration program and /or events for startups.
- iii. An Acceleration Program is typically a 3-4 months program for startups at early traction and scaling stage. It is a process of intense, rapid and immersive education for accelerating the growth of the startups. These programs typically provide a combination of resources, mentorship, education, networking opportunities, Strategic /technical support and sometimes funding, all aimed at accelerating the startup's development and increasing its chances of success.
- iv. An Event for Startups is a renowned event (National/ International) to network, learn from experts, and showcase their products or services. This includes startups meetups & networking, Startups pitch nights, Demo days, Industry specific conferences, Startup conferences, Hackathons and Hack Nights, Workshops and seminars, Investors events, Trade shows and expos, and all such events that align with startup's goals, target audience, and industry. Startups use these events as opportunities to learn, pitch their startup, and build relationships with potential investors, partners and customers.

2. Eligibility for Early-Stage Funding Support- Acceleration Program and /or Event for startups:

Sl.No.	Eligibility	Particulars
1.	Duration	An acceleration program must be for a duration of more than a month (30 days). A program of duration less than a month (30 days) shall not be considered for evaluation under this assistance. An Event for startup should not exceed duration of 7 days.
2.	Grant	Fees/ charges to be paid for participating in acceleration program/ event shall be considered under assistance.

		Note: For to and fro, 2 nd AC rail tickets or Economy class Air Tickets and for accommodation maximum upto INR 3000/- for national participation per day and INR 5000/- for international participation per day will be considered under this assistance.
3.	Timeline	For Startups who will attain acceleration program and/or event: Startup shall apply atleast 1 month (30 days) before the program start date, subject to his eligibility criteria and the submission of all the relevant documents. The applications received after that shall not be considered for the assistance.
4.	Assistance	For Acceleration Program: Actual amount to be paid will be given to institution directly as an advance if the fee amount is less than INR 3 Lakhs or a flat INR 3 Lakhs if the acceleration program fees exceed INR 3 Lakhs. For Events: Actual amount to be paid will be given to the startups directly as an advance if the fee amount is less than INR 3 Lakhs or a flat INR 3 Lakhs if the acceleration program fees exceed INR 3 Lakhs.
5.	Cancellation of the program	For Acceleration Program: After approval and disbursement of assistance, if the program gets cancelled, Institution must inform the SSU/SMIC as well as the office of Department of Industries, Government of Bihar and deposit/transfer the amount to the issuing bank account within 1 month from the date of cancellation of the program. For Events: After approval and disbursement of assistance, if the program gets cancelled, startup must inform the SSU/SMIC as well as the office of Department of Industries, Government of Bihar and deposit/transfer the amount to the issuing bank account within 1 month from the date of cancellation of the program.

3. Term of payment of Early Stage Funding Support- Acceleration Program:

i. For Startups who is going to attend acceleration program:

80% of the approved / sanctioned amount shall be allotted directly to Institution organising the acceleration program after approval of application.

Remaining 20% of the approved/ sanctioned assistance shall be allotted to institution / startup (if startup paid the remaining 20% to the institution directly) after the completion of course and submission and approval of the feedback report.

Note: 1. Assistance within this framework will be provided to startups if they choose to engage in acceleration program from the institutions/ organisations/ departments list by the department.

2. The Institution will email an acknowledgment to the department within two (2) days upon the successful receipt of the fees.

3. In case the startup withdraws from the course prematurely, the institution must inform the department and the department may subsequently decide an appropriate actions.

ii. For Startup who is going to attend events:

50% of the approved / sanctioned amount shall be allotted to startups after approval of application. Remaining 50% of the approved/ sanctioned assistance shall be allotted to startups after the completion of event and submission and approval of the feedback report.

Note: 1. In case the event has been cancelled / startup is not attending the event the startup must inform the department and the department may subsequently decide an appropriate actions.

iii. Startups can seek reimbursement for upto two (2) Acceleration Program and/ or Events, provided there is a gap of 1 year between the two program/event.
